Lucas Gabriel Ojeda

FullStack (MERN) web developer

ojedalucasgabriel2@gmail.com • (+54) 221-317-3888

About me

- I have an intermediate level of English (i'm able to hold a conversation).

- My hobbies are going to the gym, learning new things, watching movies, speaking on discord servers in English and creating new projects.

Education

UDEMY - Online course platform

React: De cero a experto (Hooks y MERN) – *by Fernando Herrera*	Dec 2021
Node: De cero a experto – *by Fernando Herrera*	Aug 2021

ALBERT THOMAS - Industrial Technical High School

Electromechanical technician	Dec 2019

Experience (Personal proyects)

SOCIAL NETWORK   Feb 2023 - Mar 2023

- This is a project of a basic social media, it's currently in process to be completed but the post section it's completed, the application uses sockets so feel free to try it by using two different clients and interacting between them.

ECOMMERCE   Jan 2022 - Dec 2022

- This is an e-commerce project in which a user can buy products from a company. In this project, the company will also be able to use the dashboard application which is connected to the e-commerce.

If you want to see the code or a demonstration of these projects you can go to my portfolio where you can found all my projects with links to them repositories an apps.

Technical skills
